

Lichfield

This elegant English Regency style chimneypiece exhibits all the best elements of the period. Carved from statuary marble, the tapered, paneled jambs are wrapped with lotus leaf clasps at the top and carved acanthus at the base, headed by corner blocks filled with carved female masks.

Dimensions

External height 49¼in (124cm) width 68in (173cm)

Internal height 40in (101.6cm) width 44in (112cm)
