

Clinton

The Bath stone of this chimneypiece is dramatically enriched by the moulded volutes that support the shelf and form capitals to the jambs. The opening is bordered by carefully devised compound moulding raised on plain blocks.

Dimensions

External height 47⁵/₈in (120.9cm) width 60in (152.4cm)

Internal height 34³/₈in (87.4cm) width 34³/₈in (87.4cm)

Depth 10in (25cm)
