

## 18th Century Antique

A mid 18th century Italian chimneypiece of good proportions, carved in Bardiglio marble. The serpentine shelf and frieze end in octagonal cornerblocks. Small bunches of laurel leaves hung from ribbons run down the jambs. The central tablet is carved with a Roccoco mascarone, evidence of the influence of the French decorative style in Italian interiors during that period.

### Dimensions

Height 43 $\frac{1}{4}$ in (110cm) width 66 $\frac{1}{8}$ in (168cm)

Internal height 37 $\frac{3}{4}$ in (96cm) width 46in (117cm)

Footblock to footblock 65 $\frac{3}{8}$ in (166cm)

Shelf depth 10 $\frac{1}{2}$ in (26.5cm)
