

19th Century Antique

A grand French mid 19th century chimneypiece carved in Carrara marble of Louis XV style. The simple moulded shelf is supported by a frieze carved with sumptuous laurel garlands, an elegant cartouche at centre and flowers on the cornerblocks. The console jambs are surmounted by finely carved ram heads, while a very subtle ornamental motif frames the opening.

Dimensions

Height 57½in (146cm) width 89½in (228.3cm)

Internal height 42⅞in (108.8cm) width 58¼in (148cm)

Footblock to footblock 85¼in (216.4cm)
